FOR A PERFECT PIZZA, BAKE IT ON THE BAKE-AND-SERVE TRAY PROVIDED.

## 1 GETTING STARTED

Adjust oven rack to center position.

Preheat oven to 425° (Stuffed Pizza & Calzone – 375°).

Convection Oven:  
Preheat oven to 400° (Stuffed Pizza & Calzone – 350°).

Remove plastic wrap and baking instructions. **PIZZA BAKES ON BAKING TRAY.**

**Keep in mind:**

Bake pizza/calzone within 60 minutes of purchase, or refrigerate. If refrigerated, remove 60 minutes prior to baking for best results. Always bake & eat within 24 hours of purchase.

## 2 PREP & BAKE

Leaving pizza/calzone on bake-and-serve tray, place in oven on center rack. Bake 12-18 minutes (Stuffed Pizza & Calzone – 25-30 minutes).

**Keep in mind:**

For best results bake only one pizza at a time. Paper tray should not touch walls of the oven. The tray may discolor, but this is normal.

## 3 CHECKING IN

Check pizza after 10 minutes (Stuffed Pizza & Calzone – 20 minutes). Use a fork to puncture any bubbles that may appear.

**For crispier crust:**

After 10 minutes (Stuffed Pizza & Calzone – 20 minutes), or when crust releases from tray, slide pizza/calzone off its tray and onto the oven rack. Continue baking until desired doneness is reached.

## 4 CUT & SERVE

Pizza/calzone is done when the crust is golden brown and cheese melted. Let sit 5 minutes before serving.

**Keep in mind:**

Please bake pizza before eating. Do not reheat pizza on the paper tray.

**BBQ Grilling? Using a Pizza Stone? Reheating?**
